

**DECT Forum is pleased to be an Exhibitor at  
Broadband World Forum 2011  
Booth H8 (Hall Marie Curie)**

Dear Colleague,

Dect Forum is delighted to invite you to the 11th annual **Broadband World Forum** event, taking place from the **27 - 29 September in Paris, France.**

For over a decade Broadband World Forum has brought together the entire telecoms industry, and this year it is guaranteed to be the largest event to date with over **10,000 visitors expected, 200 exhibitors and 300 speakers.** Don't miss to network with the entire broadband industry under one roof.

Highlights of the DECT Forum representation:

- **DECT ULE Wireless Application Demonstration**
- **Touch and feel first CAT-iq 2.0 Handsets – new generation telephony experience includes HD voice**
- **Meet our co-exhibitors: Dialog Semiconductor, DSP Group, RTX, Swissvoice**
- **Talk to DECT Forum officials and learn more about the benefits of leading industry association membership**
- **DECT Forum Board members speak at the BBWF conference program – schedule the following dates:**
  - 27. September (10:30am): Masterclass with Andreas Zipp „HD Voice for the Broadband Home – an Industry Update“**
  - 29. September (12:45pm): Interactive Panel with Ruth Wilson “The Future of the Set Top Box and the Impact of Residential Gateways, Tablets & Connected TV”**

Media representatives are very welcome to visit us for first hand information from DECT Forum Board members and industry experts.

The DECT Forum team looks forward to meeting you at Broadband World Forum 2011 in Paris next week.
